

The Violet & Vivian Fund (V&V Fund)

Violet

Vivian and Patti

The Violet & Vivian Fund was established in December 2016 by Patti Lyons, a social worker, who spent her long career working to prevent and treat child abuse and domestic violence in Hawai'i and the Philippines.

Patti named the Fund to honor two great influences in her life: her grandmother, Violet, and mother, Vivian. The V&V Fund works with agencies that refer eligible applicants to obtain financial support when there are no other resources.

The goal of the V&V Fund is to make a positive difference in the lives of individuals and families who have experienced or are at high risk for child abuse and neglect. Interviews with recipients of the Fund may be conducted from time to time to assess the Fund's impact and improve our funding process.

The V&V Fund is administered by Consuelo Foundation, where Patti was the first CEO over 30 years ago. If you have questions, please contact Nicki Garces at Consuelo Foundation, 808-532-3939 or email her at vvsf@consuelo.org. The online application is available at http://bit.ly/VVSF_app.
